

**Application for PPPM 452/552: Public Participation in Diverse Communities
Winter 2013**

Thank you for your interest in PPPM452/552. In order to register for the course you will need instructor approval. I have limited space for students in the class because of transportation constraints and funding. Therefore, I ask that you provide me with the following information so that I may choose the students that can enroll in the course. *If you don't get selected to participate, please be aware that I will try to offer this course next year and I will give priority to those students that applied this year but could not get into the course.*

1. Provide your name, year in school, mayor, and if a graduate student, please let me know if you are also applying for the Intercultural Competency Program.
2. Please tell me why you are interested in taking the course? How do you think this course will directly benefit your educational experience at the UO? How will this course better prepare you for the type of work you plan to engage in once you graduate? Finally, tell me why I should prioritize you over other students that also want to take the course? *Limit your answer to one page.*
3. Provide a reference from either a UO professor/instructor/or another professional that can vouch for your professional and personal conduct. Just provide that persons contact information and I will contact that individual if I see the need.
4. Please note that if you do get selected, you will have to fill out a UO health survey, an emergency contact worksheet, and an accident waiver form. Also, please be aware that **you must attend all weekend trips in order to pass the course.** Plus, there is an **additional \$100 cost** for this course that helps cover transportation and lodging.

Please send all the material, no later than, **Mon. Nov. 26, 2012** to gsando@uoregon.edu. However, the sooner I get the information, the better because I might be picking some participants before that date. Based on this information, I will let you know if you have been selected to participate in the course.

Thank you again for your interest,

Gerardo Sandoval
